

## INDEPENDENT AUDITORS' REPORT

To  
The Members of  
AR Digital Wealth Private Limited  
Report on the Audit of the Financial Statements

### Opinion

We have audited the accompanying financial statements of AR Digital Wealth Private Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the period 1<sup>st</sup> April 2022 to 31 March 2023 ("the period"), and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended ("Accounting Standards") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit and other comprehensive income, changes in equity and its cash flows for the period ended on that date.

### Basis for Opinion

We have conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report (the "Report"), but does not include the financial statements and our auditors' report thereon. The Report are expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the IND AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibility for the Audit of the IND AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our

opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, section 197 of the Act related to the managerial remuneration is not applicable.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position as at 31 March 2023

- ii. The Company did not have any long-term contracts including derivative contracts as at period-end for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement

**Annexure “B” referred to in “Report on Other Legal and Regulatory Requirements” section of our report to the Members of AR Digital Wealth Private Limited of even date:**

**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act**

We have audited the internal financial controls over financial reporting of the **AR Digital Wealth Private Limited** (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management;

(iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements and (iv) also provide us reasonable assurance by the internal auditors through their internal audit reports given to the organization from time to time.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the best of our information and according to the explanations given to us, the Company has, broadly in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1 CORPORATE INFORMATION**

AR Digital Wealth Private Limited (formerly known as AR Wealth Management Private Limited) ("the Company") having CIN U65923MH1996PTC097270 was incorporated on February 14, 1996 as a private company. Its registered office is at 11th Floor Times Tower, Kamala City, Senapati Bapat Marg, Lower Parel, Mumbai, Maharashtra. It is engaged in business of Distribution and Sale of Financial products.

**2 SIGNIFICANT ACCOUNTING POLICIES****(a) Statement of Compliance**

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, the relevant provisions of the Companies Act, 2013 ("the Act").

The financial statements were approved for issue by the Board of Directors of the Company at their meeting held on April 8, 2023.

**(b) Basis of preparation of Financial Statements**

These Financial Statements have been prepared on historical cost basis, except for certain financial instruments, which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102 and leasing transactions that are within the scope of Ind AS 116.

The accounting policies adopted in the preparation of the Financial Statements are consistent with those followed in the previous year by the Company.

**Fair Value Measurement**

In addition, for financial reporting purpose, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the assets or liability.

**(c) Critical Accounting Judgements and key Sources of Estimation Uncertainty**

The preparation of the Company's Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

Estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

**(i) Depreciation / Amortisation and useful lives of property, plant and equipment:** Company depreciate its tangible assets over the useful life of an Asset as prescribed under Part C of Schedule II of Companies Act, 2013. Company remeasure remaining useful life of an asset at the end of each reporting date.

**(ii) Fair value measurement:** Fair Value is a price of orderly transaction between market participants at the measurement date under current market conditions. Company determines Fair Value of Quoted Investment from available market price. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

**(iii) Provisions:** Provisions are recognized when there is a present obligation (legal or constructive) as a result of past event; and it is probable that an outflow of resources will be required to settle the obligation. Management estimates it by using its best judgement of future cash outflow.

**(iv) Taxes:** The Company periodically assesses its liabilities and contingencies related to income taxes for all years open to scrutiny based on latest information available. For matters where it is probable that an adjustment will be made, the Company records its best estimates of the tax liability in the current tax provision. The Management believes that they have adequately provided for the probable outcome of these matters.

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

**(v) Recognition and measurement of defined benefit obligations**

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government securities.

**(d) Current and Non-Current Classification**

An asset shall be classified as current when it satisfies any of the following criteria:—

- (a) it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within twelve months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

A liability shall be classified as current when it satisfies any of the following criteria:—

- (a) it is expected to be settled in the company's normal operating cycle;
  - (b) it is held primarily for the purpose of being traded;
  - (c) it is due to be settled within twelve months after the reporting date; or
  - (d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.
- Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification. All other liabilities shall be classified as non-current.

**(e) Property, Plant and Equipment & Intangible Assets and Depreciation & Amortisation**

**Property, Plant and Equipment**

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Direct costs in relation to the fixed assets are capitalized until such assets are ready for use.

(i) **Tangible Assets:** Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets estimated by the Management. Depreciation for assets purchased during a period is proportionately charged. The useful life of tangible assets is as prescribed under Part C of Schedule II of the Companies Act 2013.

| <u>Fixed Assets</u>    | <u>Useful Life</u> |
|------------------------|--------------------|
| Office Equipment       | 5 years            |
| Computer Equipment     | 3 years            |
| Furniture and Fixtures | 10 years           |

(ii) **Intangible Assets:** Intangible assets consist of software for financial service which has been amortized over a period of 10 Years on SLM basis. It was amortised over the period of 7 years till FY 2019-20

(iii) **Deemed cost on transition to Ind AS:** For transition to Ind AS, the Company has elected to continue with the carrying value of all its Property Plant and equipment and Intangible assets as measured as per the previous GAAP and use that carrying value as its deemed cost of the transition date.

**(f) Financial Instruments**

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

*(i) Classification & Measurement of Financial Assets*

Financial assets are classified as 'Amortised Cost', 'Fair Value through Profit and Loss' (FVTPL) and 'Fair Value through Other Comprehensive Income' (FVTOCI) in the following categories:

**Debt Instruments at amortised cost:** Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for those designated at FVTPL on initial recognition)

- the asset is held within a business model whose objective is to hold asset to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

**Debt Instruments at FVTOCI:** Debt instruments that meet the following conditions are subsequently measured at FVTOCI (except for those designated at FVTPL on initial recognition)

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

**Debt Instruments at FVTPL:** Any debt instrument which is either initially designated at FVTPL or which does not meet the criteria for Amortised cost or FVTOCI is measured at FVTPL.

**Effective Interest Method:** Interest income from security deposit and debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

**Equity Instruments at FVTOCI:** On initial recognition, the Company can make an irrevocable election (on an instrument by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the instrument is held for trading. The cumulative gain or loss is not reclassified to the statement of profit and loss on disposal of the investment.

**Financial Assets at FVTPL:** Investments in equity instruments are classified at FVTPL, unless they were irrevocably elected on initial recognition as FVOCI. Financial Assets at FVTPL are measured at Fair Value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in the statement of profit and loss.

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

*(ii) Impairment of financial assets*

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost, FVOCI debt instruments, and other financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 35 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

*(iii) Derecognition of financial assets*

A financial asset is derecognised only when :

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

*(iv) Financial Liabilities:*

Financial liabilities which are held for trading or are designated at FVTPL are measured at fair value with changes being recognised in the statement of profit and loss.

Financial liabilities that are not held for trading and are not designated as at FVTPL, are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

*(v) Derecognition of financial liabilities*

Company derecognises financial liabilities when, and only when, the company's obligations are discharged, cancelled or have expired. A substantial modification in the terms of an existing financial liability is accounted as a discharge of original financial liability and recognition of new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised as profit or loss.

*(vi) Offsetting financial assets and liabilities*

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right and ability to offset the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

**(g) Derivatives financial instruments**

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of profit and loss.

**(h) Impairment of Assets**

Property, plant or equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amount may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent to those from other assets.

The Carrying Amount of Assets is reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss in the year in which an asset is identified as impaired. Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exists or have decreased.

**(i) Cash and cash equivalents**

(i) Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short-term deposit with original maturity upto three months, which are subject to insignificant risk of changes in value.

(ii) For the purpose of presentation in the statement of cash flows, cash and cash equivalents consists of cash and short-term deposit, as defined above, net of outstanding bank overdraft as they are considered as an integral part of Company's cash management.

**(j) Borrowing Cost and Finance Charges**

Borrowing cost attributable to acquisition and construction of qualifying assets are capitalized as a part of the cost of such assets up to the date when such assets are ready for its intended use. Other borrowing cost are charged to the statement of profit and loss in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowings.

**(k) Leases**

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated on a straight-line basis over the lease term. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

**(l) Employee Benefits**

Defined Contribution plan – Retirement benefit in the form of Provident Fund is a defined contribution scheme. The Company is statutorily required to contribute a specified portion of the basic salary of an employee to a provident fund as a part of retirement benefits to its employees. The contributions during the period are charged to statement of profit and loss. The Company recognizes contribution payable to the Provident Fund scheme as an expenditure when an employee renders related service.

Defined Benefit Plan – Gratuity, which is in the nature of Defined Benefit Schemes, are payable only to employees and accounted for on accrual basis. The Cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses are recognised in other comprehensive income in the period in which they occur and are not reclassified to the statement of profit and loss. The Company has not funded its Gratuity liability.

Short Term Employee Benefits - The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include incentive and Annual Leave which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

**(m) Revenue Recognition**

Ind AS 115 - The Company assesses the nature, timing and extent of revenue based on performance obligations in its contracts/understanding/trade customs with customers & clients.

Revenue is recognised to the extent that is probable that the economic benefits will flow to the Company and the amount based on performance obligation can be reliably measured. Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts.

Income from Distribution and sale of Financial product includes Distribution income on Mutual Fund, Referral fees, Gain/ Loss on sale of Investment (Structured Product).

1. Income related with Distribution income on Mutual Fund, PMS, Referral fees is accounted on accrual basis.

2. Dividend income is accounted for when the right to receive the income is established.

3. Difference between the sale price and the carrying value of investment is recognised as profit or loss on sale/ redemption on investment on trade date of transaction. Carrying value of investments is determined based on weighted average cost of investments sold.

4. Interest income is recognised on a time basis using the effective interest method.

**(n) Taxes on Income**

Current Tax: Provision for Income Tax is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax: Deferred tax is provided, on all temporary differences at the reporting date between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognised directly in equity or OCI is recognised in equity or OCI and not in the statement of profit and loss.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable.

**(o) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognized when there is a present obligation (legal or constructive) as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date, taking into account the risks and uncertainties surrounding the obligation.

Contingent Liabilities are possible but not probable obligations as on the Balance Sheet date, based on the available evidence. Contingent Liabilities are not recognised in the financial statements.

Contingent Assets are neither recognized nor disclosed.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2023

**(p) Earning per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the period/year.

Diluted earnings per share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period/year. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**(q) Cash Flow Statement**

Cash flows statement is prepared using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**(r) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousand as per the requirement of Schedule III, unless otherwise stated.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

**There are no amounts included in the fair value of plan assets for:**

- i) Company's own financial instrument
- ii) Property occupied by or other assets used by the company

**Sensitivity Analysis**

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the year and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognized in the Balance Sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous year.

**34 Financial instruments – Risk management**

**Risk management framework**

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects on revenue. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

**Liquidity risk**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

**Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities.

Customer credit risk is managed by company as per its policy, procedures and control relating to customer credit risk. Credit quality of a customer credit risk is assessed based on an extensive credit rating scoreboard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and all possible steps taken to timely realise them.

The credit risk on Fixed Deposits with Banks, investments in Mutual Fund and Derivative Financial Instruments is limited because the counterparties are Banks, Exchanges and Mutual Fund houses who are structured market players.

In addition the Company has loan exposure to Subsidiaries and group entities.

As on reporting date credit risk exposure are as on following:
